HAND WASHING

Thank you for taking the time to stop in the bathroom and washing your child's hands before coming to the classrooms. That will help to stem some of the germs that little ones tend to share! Also, please remember to keep them home if they have a fever. They really don't feel well enough to be here and we don't need everyone else sick.

- ✚ We will be practicing monthly Fire Drills and Weather Emergency Drills which began in September. Be sure to talk to your child about it being a **PRACTICE** to help keep them safe, our school bell is very loud, so please mention that to your child also.
- ✚ Gym classes have begun, so please make sure your child wears sneakers on their gym day. The gym teacher takes them outside before it gets too cold, so please dress your child for the weather.
- ✚ In the next few weeks we would like to send a copy of your child's class list home, but before we can do that we **must have all** of the ***Student Photo/Video and Class Directory Release Forms signed & returned to the school office A.S.A.P.*** If you did not receive one, please stop in the office for a form.
- ✚ **If you have not turned in an up-to-date copy of your child's immunizations, please send it in A.S.A.P. If your child is scheduled for shots during the school year, please bring in an updated copy for our records.**
- ✚ **After reading the Parent/Student Handbook, please sign & date the last page (pg. 9) and return it to the school office.**
- ✚ We have many events during the school year where we will need some parent volunteers. Please visit the school website and click onto "**volunteer sign-up**" to check-out the various preschool events.
