

PRESCHOOL BEFORE AND AFTER SCHOOL CARE

Little Angels Before and After School Care provides professional care, supervision, recreation, and socialization for your child. Children have the opportunity to have lunch with friends, play, do crafts, play games, go outside, or watch videos. The program operates under the philosophy of the school and its families. A family atmosphere is encouraged, along with respect for authority, care of property, and sense of cooperation.

Our Before and After School Program is available to all preschoolers attending St. John the Baptist Preschool. Care is available before and after school and preschool. The cost is \$7.00 per hour per child and you may sign up for any number of hours needed. Please keep in mind that All Day Care is available for children who will be at school for long periods of time on a regular basis. Please contact Debbie Gardecki for pricing.

Your child may attend the before and after school program before or after both the 3 year old classes and the 4 year old classes. You must sign up 24 hours in advance and you must complete and return a registration form for each child prior to care. Payments must be made the day of service, unless your child will be attending on a regular basis. In this case a billing account will be set up for your child, and payment will be required upon receipt of the statement. You may sign up by contacting Ms. Debbie at dgardecki@sjbnf.org, or simply filling out the enclosed registration form. If your child needs to stay longer than the time you signed up, if space is available, we may be able to accommodate you based on current attendance. Payment for the extra time is due at the time of pick up, unless your child has an account set up. You will be charged in half hour increments, but no less than one full hour of care will be charged for before care and one full hour for after care.

If you are running behind for picking up your child from preschool, you must call the office and make arrangements with your child's teacher. Children may not be dropped off at Little Angels due to a parent running late, or needing to leave a child in the morning to get somewhere. If you need extra time before or after preschool, you must sign up for care in advance. If, for some reason, your child needs to be put into Little Angels, you will be charged a \$10.00 drop in fee plus \$7.00 per hour per child for any time over 5 minutes and payment will be expected when the child is picked up. If payment is not made, and it happens more than two times, your child will not be kept in Little Angels in the future.
